# Intellectual Property Assignment

Project name: _____

Client company: _____

## 1. Assignment

On receipt of full payment of the fees in the Statement of Work, Agency assigns to Client all right, title and interest in the deliverables created for the project, including source code, designs and documentation, together with all intellectual property rights in them.

## 2. Agency tools and open source

Agency keeps ownership of its pre-existing tools, libraries and know-how and grants Client a perpetual, royalty-free licence to use them as part of the deliverables. Open-source components stay under their own licences.

## 3. Client materials

Client confirms it has the right to provide all content, trademarks and data it gives Agency for the project, and keeps ownership of them.

- ☐ Client confirms it owns or has licensed all materials it provides to Agency.
- ☐ Agency may show the finished project in its portfolio (optional).
